

AMA Chapter 534

Minutes of the " Online " Board Meeting March 9, 2020

Scott Hudson

Mon, Mar 9

Unfinished:

Scott tells us that the water fire extinguishers have been refilled and will be at the field shortly.

Scott and Jess gave us an update on the control line situation, things are moving forward slowly.

We have a new contact person who can do an antiquities survey this August free of charge.

That's all I've got for you.

Thanks!

Scott
